

**DVIS/Cir./01.06.2021**

Dear Staff

DVIS GREETING

This is for your intimation that all the teaching and non-teaching staff from school have been asked to take the COVID-19 vaccine before August 15 '2021. Teachers who have got vaccinated would have to submit the vaccination certificate to the officials in charge of their school jurisdiction. For teachers who cannot take the vaccine, the required documents to support their reasons should be provided as well.

Regards

DVIS.
